Chapter 1 by puppies4life

CHAPTER ONE- New beginnings

This is it, It told myself, You can do this.

As I walked into the big brick school, there were butterflies flying around in my stomach. What if I had to sit at lunch by myself? What if no one wants to be my friend? What if I got bullied so bad I had to leave? Right outside the door, there were four or five cheerleaders shouting over enthusiastically, "Welcome back to Lakeland!!!! Go Lions!! Woo hoo!!"

You'll be fine. You'll have plenty of friends by lunch.

I looked at my schedule that I got last week at Orientation. It said at the top,

Homeroom: Mr. Jones Room 1275

It took me about five minutes but I finally found room 1275. I walked in and there was one seat left. Just then some other girl walked up to the other door. She had long curly blonde hair and was wearing a pink top and skinny jeans with high heels. I started speed walking to the seat. "Is this seat taken?" I ask the girl next to me.

"Sorry, it is," she said and then made a fake frown.

"Who's sitting here?"

The girl I was racing for the seat came and sat down in the seat.

"Me". She replied smugly.

Oh no she didn't!!

I couldn't believe them!!

"Sorry," said the girl who just sat down. "I was just trying to save a seat for me. Better luck next time!"

Well what a fantastic way to start off the new school year.

As I turned around to go look for another seat, they started giggling behind me. I really wanted to show her who's boss.

"Hey. There's an empty seat here," someone said to my left.

I turned and saw a girl with red hair, about a million freckles, and square, sky blue glasses.

"Um, hi," I said and took the seat next to her.

"Don't let them get to you," she told me. "I'm Raelynn."

"Do you know them? Oh, sorry, I'm Allyssa"

"The blonde one, yeah, that's Jessica. And the brown haired one is Katherine Clarke, also known as KC. She hates the name Katherine Clark, so I usually call her Kathy McClarky, cause that annoys her a lot."

I started laughing and then KC and Jessica started glaring at us.

Then the teacher, apparently Mr. Jones, came in. Everyone was quiet.

"How was your summer everyone?" Mr. Jones asked the class.

"Good!" everyone shouted at the same time.

"I'm so glad to hear that!" Mr. Jones said enthusiastically.

The rest of homeroom went like that. Mr. Jones made us introduce ourselves and we played a bunch of get to know you games.

CHAPTER TWO-

Second period was a little bit better. Raelynn wasn't in that class but, neither was Jessica or KC. The day went by slowly but, it was finally time for lunch. I looked around the lunchroom. I didn't see Raelynn. I did see KC and Jessica with about twelve other girls that were all wearing designer tops with skinny jeans and high heels.

"Over here!!" someone shouted.

I turned around and saw Raelynn waving in my direction. I walked over to her table. She was sitting with one other girl.

"Hi, I'm Quinn," she said.

"I'm Alyssa," I said sweetly.

I barely have any friends at this place and I don't want anyone thinking I'm a snob.

I sat down with them and we started talking but Raelynn went to go throw away her trash. I heard a loud scream and saw Raelynn on the ground. I saw KC and Jessica and everyone else in the lunchroom was laughing at her. KC had "accidentally" tripped Raelynn and she spilled her lunch.

Her face was so red I couldn't believe KC had done that. I was about to go give her a piece of my mind, but just then an administrator walked in.

"That's the vice principal, Mrs. Wells," Quinn whispered in my ear.

"What is going on in here?!?!", screamed Mrs. Wells.

I'm so sorry," KC apologized," I didn't mean to trip her. I just had my foot out and didn't see her!"

Of course Mrs. Wells totally believed that fake story.

"Let's go get you cleaned up sweetie," Mrs. Wells said sweetly.

So now it was just me and Quinn at our table. We were ranting about how much we hated those girls when KC brought about seven girls over to our table.

"We could have avoided that whole mess if you had just backed off us," sneered Jessica.

Chapter 2 by Astrid

"Backed off *you*? Are you kidding me?!?" I said in total I-can't-believe-they-just-said-that mode.

KC grins a sickly sweet smile. "I'm sorry. I'm going to hear your apology for just saying that, and, since I am so nice, we can just forget you ever said that!"

I..." I glanced down at the cowering Quinn behind me. I know apologizing is the easy way out, and if I don't, Jessica will do everything she can to ruin my life. But even if I do apologize, she won't leave me alone. She make us do more things for her, and more. And she'll do this all the Quinn and Raelynn too. This is the ultimate loyalty test.
